Lines are to be memorized for each practice. You are graded during play practices and an absence will count as 0%. You can make up the zero by during a section of a drama text. You must have a note to be excused early. During January, February, and March the practices will take place during Literature classes. There will be mandatory after school practice from 1-4 P.M. in March. A letter is being sent to parents asking for volunteers to help with the several committees. The play and all the work for it is most of your third quarter grade. The evening performance is a test grade. You will have to take a 0% if you miss it. If you miss a 1:30 - 4 P.M. practice it will be marked as a zero if you do not make it up with a chapter from the drama textbook.
