

“To Kill a Mockingbird” Vocabulary: Chapter 15 and 16

Directions: For each term find the sentence where the word is used. Read the sentence carefully. Look the word up in the dictionary and find the definition that fits its use in the context of the story. Write only the definition that applies to the story. Then write a sentence using that word that shows you understand the meaning of it. Extra credit for having sentence proof read by a parent or supervising adult. Have the person initial the first page at the top. Paper must be typed, 12 pt. font, single-spaced, skip line between terms.
